**MEMO TO:** Mr. Gilson DaSilva (BCBSRI)  
Ms. Danielle Denis (NHPRI)  
Ms. Patrice Cooper (UHCNE)  
**FROM:** Deborah Florio (Administrator, RI DHS, CCFH)  
**SUBJECT:** Benefit Clarification – Extended Family Planning (EFP)  
**DATE:** 08/07/2006

This memo provides clarification about benefits covered by Rite Care's Extended Family Planning (EFP) program. Please refer to Attachment F (Extended Family Planning Benefits) of the Rite Care contract. The following two (2) CPT codes have been reviewed to determine whether they should be included as covered benefits under EFP: 58825 & 58920. These codes are defined as follows:

- 58825: Transposition, ovary<sup>1</sup>
- 58920: Wedge resection or bisection of ovary, unilateral or bilateral.<sup>2</sup>

Based upon DHS' internal review, these procedures do not pertain to family planning and therefore should not be considered covered benefits under Rite Care's EFP program.

Please do not hesitate to contact Robyn Hoffmann at the CCFH at 462-0763 if there are any questions pertaining to this correspondence.
